## Early Withdrawal Refund Rate Table for Federal Tuition Assistance Benefits

Students who receive federal tuition assistance benefits have earned 100% of their benefits upon completion of 60% of their period of enrollment. Therefore, for students who withdraw before completing 60% of the term, the institution is required to return the unearned portion of tuition assistance benefits to the benefit program. Returns will be made according to the following schedule.

### 16 Week Terms

| Withdrawal date                     | Percent of Federal TA Benefits returned |
|-------------------------------------|---|
| First day of class to end of week 1 | 100%                                    |
| End of week 1 to end of week 3      | 75%                                     |
| End of week 3 to end of week 8      | 50%                                     |
| End of week 8 to end of week 10     | 40%                                     |
| Before end of Week 16               | 0%                                      |
